

## PhD in GEOSCIENCES

# Green Strategies for Sustainability and Waste Valorization

26-27 May 2026 (Theoretical and Practical parts)

Maximum number of registrations: 10

**Dr. Lucia Tonucci – e-mail: [lucia.tonucci@unich.it](mailto:lucia.tonucci@unich.it)**

### May 26th

2 pm – 6 pm:

*(Lab. Chimica Chieti)*

Strategies of green and sustainable chemistry

Conversion of biomass into high value-added products

### May 27th

2 pm – 4 pm:

*(Lab. Chimica Chieti)*

Valorization of lignin, glycerol, CO<sub>2</sub>

Advanced techniques of waste conversion

4 pm – 6 pm

*(Lab. NMR Chieti)*

Nuclear Magnetic Resonance for qualitative/quantitative purposes (practice)
